

Edgemere Park Neighborhood Meeting Minutes

February 27, 2025

The meeting was held at the Hook residence, thank you Jann and Terry. Coleman called the meeting to order at 6:15 pm.

Members present: Coleman Nash, Susie White, Braton Danielson, Petra Cox, Nikki Kuhn, Sam Peregrin, Katie Watts, Sheila Gibbs, Jann Hook, Monica Sexton and Kelley Smith.

Introduction was made by our new President, Coleman. After a review of last meetings' minutes, a motion was made to approve the minutes from the January meeting (motion by Susie White). Jann and Braton began discussion over budget amount changes, i.e. donation amount is high at \$4k, holiday party charges for the park are high along with street light repair estimates. Jann brought up the endowment fund reserve that we have not used. Braton will review the budget for revision and follow up. A motion was made and approved for 12/24 financials.

Discussing broken street lights, it appears an OG&E light needs repair that is delinquent. Monica will reach out to OG&E.

Sam Peregrin and Nikki Kuhn were recognized and elected as Block Trustees.

Moving to Committee Reports, Kelley offered to help with communications, without social media. Coleman will determine what that involves. Petra has changed her mind about leaving the newsletter, but she does need help with advertising and articles. She is experiencing printer issues with Quikprint, discussing changing.

The Park Spring Clean date is scheduled for April 12 or 13.

Signage was discussed, there is approximately \$1300 to spend, decided metal is best, need to get a good count.

MAPS 4 planning is uncertain, communication between MAPS and the neighborhood has dropped off, to follow up with the city.

The new president's letter will come out this week with donation letters, Jann will have them ready Sunday pm.

Next meeting is pending.

Adjourn at 7:20.
