The Centennial funds will be moved into "Social General" and any income coming in from Centennial Plaques or Centennial Ornaments will be moved to a separate line item in the budget. For the Centennial Plaques, we will require a pre-payment and then place a bulk order. Linda Clement will provide an example plaque at the 4th of July Party. Cost of the plaques (with markup for Centennial fund) were discussed but we will wait to have a formal vote from the board.

The board discussed an EPPI Credit Card as was had in the past but consensus was to continue with checks going forward.

The June Eppilog has gone out and should arrive in the mail in the next few days. Content was well received and well timed. Board discussion of a feature of Matt Goad in the next issue. In addition to this, we will highlight some of the recent Centennial celebrations – Kickball Tournament, EPPI Movie Night, Lemonade Stand, and the upcoming 4th of July Party.

On historic preservation, Drew Allensworth is still interested in assuming the chairmanship of the committee but has not yet committed. There is no new update on the 35th Street bridge project.

Social: Ornaments have arrived and the QR code is working. These will be on sale for the neighborhood at the 4th of July Party. The Social Committee pivoted to a movie night after the Thunder were eliminated from the playoffs. This was a great event with over 30 neighbors. There is already interest in doing another movie night in the park soon.

For the 4th of July Party, we will look into Centennial T-shirts to be on sale. Matt Goad will reach out to John Knight with Ment Apparel. Other details that came up in discussion:

- The Parade will start at 10 AM and Matt Goad will lead it.
- Dunk tank for Coleman? - $319 for 8 hours – includes all set up and tear down, etc. BOING rentals? We will follow-up with Social
- Bounce House - $200? We will follow up with Social.
- Other events could include 3-legged race, Cornhole, and Bocci Ball
- Fly abatement?
- Hot dogs – We will ask Susie to cook again this year
- Lindsey has reached out to Freeman's for beer donation
- We have condiments but need buns, plates, chips, bottled water, ice, napkins, utensils
- Neighborhood signs to go out that will state time, date, place and also request neighbors bring side dishes and desserts
- Music is set

Security: A subcommittee will be set in July or August to discuss the future of this committee. Coleman to make one more public ask at the 4th of July Party for volunteers for this. Otherwise, we will reach out to surrounding neighborhoods to combine efforts or dissolve the corp.

On speed abatement, we will still look to complete efforts on 30th street and then move into the neighborhood, proper. Per Jann Hook on the 30th St. parking:

No Parking Restriction - Our Request letter was submitted on June 3. To support the request, the City requires a petition signed by affected residents indicating whether they agree or disagree with the proposed restriction change. 67% must agree before it will be approved by the Traffic Commission. Shawn Hollopeter in Jefferson Park and I are getting the signatures and so far everyone has agreed to the restriction, but we are having some trouble with people not coming to the door or returning calls. We hope to get the petition submitted to the City by June 26th.

Light at Cragun household (233 NW 35th) will need to be trenched and the electrician has spoken with the Cragun's. There is a similar situation at the Goldman's (217 Eubanks) and Henri will reach out to them about the same resolution. Photocell replaced at 224 NW 32nd St. – resolved.

New Business: Monica Sexton was informed by our mailman that we are not allowed to drop unstamped letters in mailboxes. We can leave at houses, but we cannot use the mailboxes.

The next meeting will be August 28th at 6 pm, at the theatre unless there is a conflict. The meeting was adjourned at 7:19 pm.
